What is a Broward Community ID Card?

- In 2021, Broward County passed a resolution proposed by Commissioners Holness and Rich authorizing the issuance of Community IDs to Broward residents.
- The Broward Community ID is a document that helps residents identify themselves to law enforcement, schools, banks, health centers, city departments, and social service agencies.
- The Broward Community ID is not a federal or state ID or a driver license. It cannot be used to vote or to board an airplane. It does not entitle cardholders to government benefits.
